

Candidate Statement

Candidate: Alan Wagner

Address: 15450 Carnoustie Ln

How long have you lived in Frisco Preston Hills HOA?

Why would you like to serve on the Board of Directors? As one of the longer-term homeowners in Preston Hills, I feel a duty to serve and represent the other wonderful homeowners in this great community.

Do you have any experience on a Board or other relevant expertise? My only previous HOA Board experience has been through attending executive board meetings of our HOA when we lived in Rockwall. I was not an elected officer, but simply attended out of interest in the decision-making process. Administratively, I have directed/managed school band and orchestra programs for nearly 40 years and served as the associate director of the music school at SMU for 12 years. I also have a love of architecture and am quite familiar with the International Residential Building Codes as well as the building and landscaping codes in the city of Frisco.

What issues do you think need to be addressed in Frisco Preston Hills HOA? My only agenda is to maintain our property values while respecting the rightful independence of individual homeowners. If elected, I will impartially and equitably represent the homeowners of Preston Hills in their concerns and wishes. I am also willing to serve on the Architectural Review Committee if needed.

Do you have any other commitments which might make it difficult to participate fully? No
